

ANNUAL REPORT

DONOR IMPACT

Proceeds from Celebrate the Season Gala Raise the Paddle directly support district programs and enrichment.

OUR MISSION

Empower and inspire Anacortes students through scholarships and enriched learning opportunities.

OUR VISION

ASF builds relationships with donors who want to make a difference in our schools. Through funding and program support, we focus on helping the whole student thrive and achieve their highest potential.

EMPOWER. INSPIRE. ENRICH.

MENTAL HEALTH

1,130 All elementary students and **135** staff - RULER social-emotional learning curriculum and trainings

Available to 1,300 students (middle and high schools): Communities In Schools, social workers and behavior specialists

Available to 1,130 elementary students: mental health therapist shared among three elementary schools

STEM

200 5th graders attended Outdoor School

470 K, 2nd, and 7th graders attended Friends of the ACFL field trips

500 secondary students: STEM enrichment equipment

500 participants in the HF Sinclair Fueling Education Fun Run- proceeds benefitted the winning school and high school STEM enrichment

SCHOLARSHIPS

Scholarship awards are made through both passthrough and endowed funds. Endowed funds are invested for long-term growth while providing income to fund scholarships. The ASF Finance Committee monitors accounts and has set an investment policy target of 7.5% average annual return.

A professional investment company manages the endowment, and funds available may vary from year to year, depending on investment performance. The ASF endowment is currently at \$3.9 million. The majority of these funds are restricted to scholarship use.

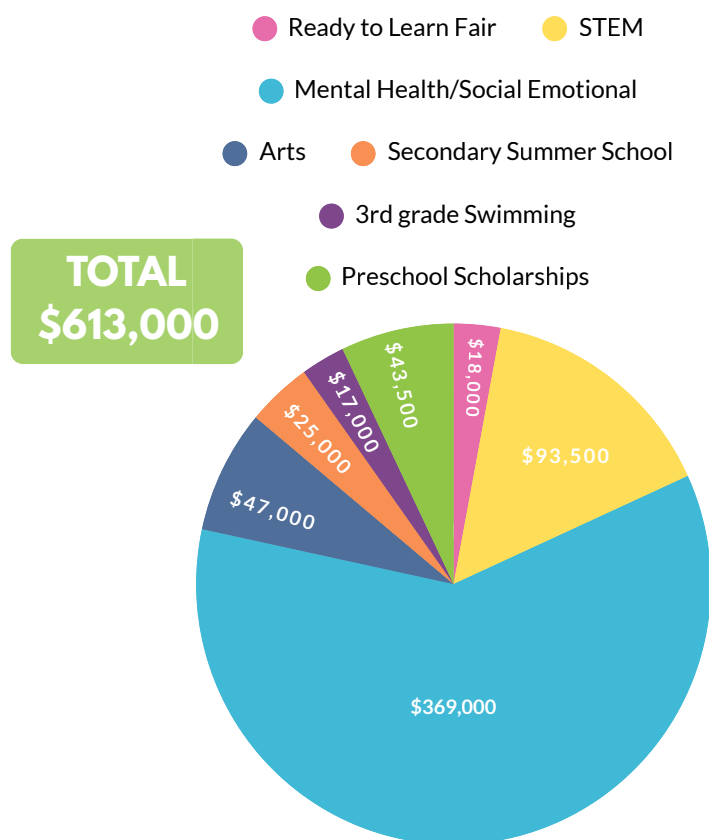

ASF AWARDED \$473,796 IN 2025

Includes \$67,250 for 2-year, Trade and Vocational Programs

June 2025 scholarship ceremony.
